Behavioral Discipline Policies

Discipline Policy Overview

This is an adult education program. Each student is held personally responsible for his/her conduct. Students unable to conduct themselves properly may be asked to leave the premises. This will be treated as an absence.

Depending on the severity of the inappropriate behavior, the student may be expelled from the program.

We have included some specific examples of various behavioral issues and the discipline or consequences associated with them. Other issues will be dealt with on a case-by-case basis as they arise.

The Infraction Table that follows lays out Vernon Regional Adult Based Education’s administrative guidelines for dealing with discipline issues. The table is divided into categories of infractions (behavior that is not appropriate for Adult Education participants), and the consequences for each of those behaviors after the first offense, the second offense, and the third offense are listed.

As an extension of this policy, all school district personnel will use the following rules, regulations, and guidelines when responding to any and all drug, mood-altering substances, and/or alcohol-related situations.

Rules and Regulations:
All drugs and substances, restricted or controlled as defined by state law, and alcohol, are forbidden on school grounds and at school-sponsored activities. A student on school grounds prior to, during, or after the school session, or at a school sponsored activity:

- who is affected by alcohol, any narcotic substance, any restricted or controlled drug or any mood-altering substance
- or who possesses, uses, dispenses, sells, or aids in the procurement of alcohol, any narcotic substance, or any substance purported to be a restricted or controlled drug or substance

shall be subject to discipline and arrest whenever warranted, pursuant to the provisions and procedures outlined below. Violations are cumulative over time (i.e., a violation in one year is carried forward to another year).

Any student who is required to take medication prescribed by a physician should inform the Site Administrator/Coordinator and note the condition on the emergency card.
Drug & Alcohol Policy (Continued)

Procedures for Reporting Drug and/or Alcohol Behavioral Problems

1. Any teacher or other school personnel who believes that a student is not functioning properly will contact the Site Administrator/Coordinator or security guard. The staff is not being asked to evaluate whether or not this is chemical in nature. They are not being asked to label or diagnose, but they are to report behavioral/physical observations that might signal the need for further assessment.

2. The Site Administrator/Coordinator will determine whether the student is in need of urgent medical attention.

3. If it is determined that the student's inability to function properly is due to drug or alcohol abuse, the following consequences shall apply:

   - The penalties listed here are minimum penalties with provisions for more severe penalties, not in conflict with the Connecticut General Statues, where circumstances warrant.

   - **First Violation**: Any student found to be in violation of this policy for the first time during his/her tenure in the Vernon Regional Adult Based Education will be dismissed from the program.
Gang Type Behavior

To insure a safe, secure learning environment and to help foster an attitude of respect for the rights of others, the administration of Vernon Regional Adult Education enforces a ZERO TOLERANCE POLICY toward gang-type behavior. Any violation of this policy will lead to expulsion.

VRABE Regional Adult Based Education has identified gang activity and/or involvement as:

1. Wearing, possessing, using, distributing, displaying, or selling any clothing, jewelry, emblems, badges, symbols, signs, graffiti, or other items that are evidence of membership in or affiliation with a gang.

2. Committing any act or using any speech (either verbal or nonverbal such as gestures, hand-shakes, etc.), that shows membership in or affiliation with a gang.

3. Using any speech or committing any act to further the interest of any gang or gang activity, including but not limited to:
   
   A. Soliciting and/or initiating others for membership in a gang.
   
   B. Requesting any person to pay for protection or otherwise intimidating or threatening any person.
   
   C. Committing any illegal act or violation of school district policies.
   
   D. Inciting other students to act with physical violence upon any other person.
   
   E. Engaging in concert with others in intimidating, fighting, assaulting, or threatening to assault others.
Smoking

The State Department of Education has established all schools and all school grounds as smoke-free areas. Therefore, smoking in the buildings and/or on school grounds is strictly forbidden at all sites and programs of VRABE. Violation of this policy may result in the expulsion of a student.

Plagiarism/Cheating

All incidents of plagiarism/cheating must be reported immediately to the office and will remain the responsibility of the classroom teacher. The recommended punishment is a grade of zero without an opportunity to retest or make up any work.

Use of Cell Phones and/or Electronic Devices

Cell phones and/or electronic devices (i.e., beeper, pager, etc.) should only be used during breaks and with discretion. If they are used inappropriately:

1. The first violation will result in a warning.
2. The second violation will result in removal from class; this will be treated as an absence.

Outside Visitors

Students are not to bring visitors to school. Any person not enrolled in Vernon Regional Adult Education must report to the Site Administrator/Coordinator's office.
Distribution of Non-School Related Material

Any written material that may cause disruption of the proper and orderly operation of the school or school activities will not be allowed to be distributed at VRABE. The distribution of all posters, brochures, newspapers, and other printed materials must receive written approval from the administration.

Mandatory Student Orientation Program

All students contemplating a high school diploma must attend a VRABE Orientation (1-hour virtual on Zoom) before beginning classes. The Orientation Session is structured to inform the students of the three options they have to get a diploma:

- CDP (Credit Diploma Program)
- NEDP (National External Diploma Program)
- GED classes (General Educational Development)
- ABE classes (Adult Basic Education/Pre-GED)

At the Orientation, these programs are described. Students will then schedule a one-on-one meeting with a counselor to develop a plan for achieving their diploma. A CASAS appraisal test is administered prior to enrolling in class.

Students must schedule a date to attend the virtual orientation session by registering online at [www.vrabe.com](http://www.vrabe.com) or calling 860-870-6060.

Orientations are virtual and offered at various times.

Please see ID requirements for Orientation on the next page.

All courses must be completed by the end of the third trimester. In some cases, particularly with graduating seniors, it may not be possible to allow a two-week grace period to make up an incomplete in the last trimester.

Attendance/Tardy Policy

The attendance/tardy policy for the VRABE Regional Adult Based Education Credit Diploma Program is as follows:

1. All students are expected to attend class. If a student is absent, he/she must inform their teacher and/or present documentation for the absence.

2. All students are expected to be on time for classes. No student will be allowed in class once instruction has begun without a pass. Students who miss more hours than can be made up will be dropped from the course. There are NO EXCUSED ABSENCES.

3. Three tardies to any one class will be treated as one absence. This means that the student must make-up the time of one class session. As with class attendance, a student may reach a point where it is impossible for him/her to make-up the time. Consequently, the student will be dropped from the course.

4. Students leaving the classroom, abusing lavatory privileges, or loitering in the halls will be treated as if they were tardy, and these actions will result in the same consequences as being tardy (see above).
Course Changes

Changes in student schedules will be made only for the following reasons:

1. School error in scheduling
2. Failure to meet sequential requirements
3. Addition of courses for seniors who need credit to graduate
4. Extenuating circumstances
Independent Study

Independent study courses are developed to allow students to pursue educational objectives, which cannot be met by VRABE Regional Adult Based Education's regular curriculum. An independent study equals one credit. Students can only earn one credit through independent study.

If a student is interested in pursuing the independent study option, he/she should do the following:

1. Submit a proposal, in writing, to his/her guidance counselor to be approved by a committee. The committee will be comprised of the counselor, Principal/Site Coordinator, and teacher. The student will receive a study guideline sheet detailing steps that must be completed in this process.
2. The student will submit a typed, double-spaced paper, of not less than 15 pages. Font size will be no larger than 12.
3. The student will include:
   A. A bibliography
   B. Visual aids (i.e., graphs, charts, diagrams) and
   C. Footnotes where appropriate.
4. The student will present an oral presentation of at least 3-5 minutes to the committee. Presentation may include slides, video, handouts, and/or posters.
5. The project must be completed within one trimester.
6. Grading will be based on content, grammar, punctuation, spelling, and presentation criteria determined by the committee.
7. Credit value is 1.0 credit based on the above requirements.
8. Students are required to meet with their independent study teacher a minimum of five times prior to the presentation of the paper.
9. All Independent Study materials must be submitted by the 8th week of the Trimester and presented by the 9th week.
In order to receive a passing grade for an independent study, the student must strictly adhere to the following:

1. **Written Proposal**: The student must meet with, and submit a written proposal to, the independent study advisor stating what is to be accomplished. This document should be dated, initialed and accompany the final draft when submitted.

   **Indep. Study Advisor’s Initials**  **Date**  **Summary**

2. **Outline**: The student must meet with and discuss the outline of his/her independent study with the advisor. This document should be dated and initialed and accompany the final draft when submitted.

   **Indep. Study Advisor’s Initials**  **Date**  **Summary**

3. **Rough Draft**: The student must meet with and discuss the rough draft of his/her minimum fifteen-page paper. This document should be dated and initialed and accompany the final draft when submitted.

   **Indep. Study Advisor’s Initials**  **Date**  **Summary**

4. **Final Draft**: The student must meet with his/her independent study advisor one last time with the final draft before the student schedules the presentation.

   **Indep. Study Advisor’s Initials**  **Date**  **Summary**
Credit Appeal Procedures

Students have the right to appeal the decision to not grant credit. All parties involved may attend a hearing regarding the loss of credit. This appeal must be requested in writing within 7 days of the decision. The decision of the appeals committee will be final.

1. Right to Appeal
   A. When loss of credit(s) occurs, a student has the right to appeal. The initiation of the appeal process is the sole responsibility of the student.

Guidance & Counseling

Each student is assigned to a counselor. This counselor will work individually with the student for the duration of the time that the student remains in the VRABE Regional Adult Based Education Program. Conferences between student and counselor usually take place before or after a class. A student may want to discuss the following types of problems with his/her counselor:

1. Difficulties with school subjects or other problems relating to school
2. Self-evaluation in terms of abilities, interests, personal and academic strengths
3. Selection of courses and studies
4. Vocational planning
5. Planning for schools or colleges after graduation
6. Personal problems

Each student enrolled in the Credit Diploma Program will have a minimum of 3 formal counseling sessions: one at admission, one at the beginning of the senior year, and one prior to the last trimester of the senior year. The senior year session will serve the dual purpose of making sure the student’s projected schedule will meet graduation requirements and to explore options for the student’s future opportunities.

Ongoing programs:

1. Computerized career and college counseling at Rockville High School
2. Academic counseling during the registration process
3. College entrance and financial aid counseling

In addition to these regular ongoing counseling opportunities, students are encouraged to make use of such opportunities as the Tri-Town College Fair run by local high schools.
Graduation and Transcripts

Students may complete credit requirements for graduation at any time during the year, but diplomas are awarded only once a year at graduation by VRABE Regional Adult Based Education and conferred by the Vernon Board of Education.

If a student needs verification of the completion of the diploma program for college, military service, or an employer, an official transcript and an accompanying verification letter will be sent to attest that the student has fulfilled graduation requirements.

Please note that official final transcripts are available only to those students who have fulfilled all obligations. To request a transcript, the student must complete, sign, and submit a transcript release form available at www.vrabe.org or on page 53. The Transcript Release Form must be submitted at least two weeks in advance of date needed.

Each student’s academic record is contained in his/her transcripts. The transcript includes:

General Educational Development Program (GED)
GED Classes

GED classes are conducted in-person or virtual in a group and sometimes an individualized format. The students work on those areas requiring further study, and are able to move on or receive assistance based on need. Once students complete each of the sections of study in their individualized plans and successfully complete GED Ready practice tests in each GED area, they are then prepared to attempt the GED® test.

GED® Test Overview

The primary aim of the General Educational Development (GED®) Testing Program is to provide a second chance for Connecticut adults to obtain their high school diplomas. The tests are intended to appraise the educational development of adults who, for one reason or another, left school before completing their formal high school education.

GED® Test Content

The material found in the GED® test is based on the subjects that most people study in high school in the United States. When taking the test, you will not be asked to know all the information that is usually taught in four years. Instead, you will be tested on your ability to read and process information in four subject areas.

The focus of the GED® test is not on content alone, but rather on skills. You will not be asked to memorize specific dates, names, and places. It is more important to read and comprehend a passage in history or literature than to recall the date of a specific battle or the title of a novel.

The GED® test is actually four different tests. The four content areas of the GED® test are:

1. Reasoning Through Language Arts
2. Mathematical Reasoning
3. Science
4. Social Studies
GED Admission Procedures

Each student entering the program must:

1. Be at least 17 years of age.
2. For GED classes—Attend the mandatory High School Completion Orientation Program; as well as an individual meeting with a VRABE Guidance Counselor. (See page 24)
3. Take a required placement/appraisal test after Orientation.
4. Complete a Registration Form to enroll in classes
5. Reside in one of the member towns served by Vernon Regional Adult Based Education. (listed on page 10).
6. Be officially withdrawn from a regular day high school program and present official withdrawal letter from the Connecticut school (for ages 17 and 18 only).
7. Provide a current, valid, government photo ID including signature (such as passport, driver’s license, or a CT photo ID issued by the DMV). For passports or out-of-state ID, student must also provide a piece of current mail, lease or utility bill as proof of residency.
8. Sign Procedure Form stating he/she has received a Student Handbook and understands the Grievance Procedure (pg. 53).

GED Class Policies & Regulations

A. Textbook

A $25.00 book deposit is required. This deposit will be refunded when the book is returned to us in good condition. If the book has been written in or damaged, a refund will not be issued. The textbook is required for the GED classes.

B. Attendance Policy

In order to successfully prepare for the GED® test, class attendance must be taken seriously. Student should inform teacher of absence and/or provide documentation of absence. If a student misses 4 classes, he/she may be dropped from the class. The student is welcome to reenter class when a new session begins. Friends and family members may not accompany you to class.
GED® Official Test Registration Procedures

(TEST ONLY)

Eligibility for GED® Testing
1. Must be at least 17 years of age.
2. If you are 17 or 18 years old, you must submit documentation that you have been officially withdrawn from a Connecticut high school for at least six months prior to registering for the GED® Test or provide proof that the class you entered ninth grade with has graduated.
3. Provide a current, valid, government photo ID including signature (such as passport, driver’s license, or a CT photo ID issued by the DMV). For passport or out-of-state ID, student must also present a piece of current mail, lease or utility bill providing residency.
4. Must not have a United States high school diploma.
5. An official GED® practice test (GED Ready) is required prior to testing in each subject area.

Accommodations for GED Special Testing
Accommodations for the GED test are available for qualified individuals with a disability. For more information, contact Cortney Gerlach (cortney.gerlach@vernonct.org) or Shari Beaupre (shari.beaupre@vernonct.org) at 860-870-6060. You may also contact Sabrina Mancini at the Connecticut State Department of Education at 860-807-2110.

Recognition of the GED®

A Connecticut State High School Diploma is awarded when a student passes the GED® test. This Diploma is recognized by employers, unions, state and federal civil services. Roughly 98 percent of U.S. colleges and universities accept GED® graduates in the same manner as high school graduates, but check with the institution to which you are applying to be certain.

The 2014 GED® Test is scored by computer using an entirely new scale. Test-takers will need a minimum score of 145 on each of the four content areas (Reasoning Through Language Arts, Mathematical Reasoning, Science, and Social Studies) in order to be eligible to receive a high school equivalency credential.
GED® Test Scores

The GED® test score levels are:

- (145-164) – Pass / High School Equivalency
- (165-174) – GED® College Ready
- (175-200) – GED® College Ready + Credit

If you've earned the College Ready score on your GED® test, it means that you likely have the skills to start college-level courses. Depending on the school or program you apply to, you may not have to take a placement test or any remedial (non-credit) courses in college, which will save you money when working on a college certificate or degree. Talk to your college’s admissions office to learn more about their policies.

If you’ve earned the College Ready + Credit score on your GED® test, it means that you have already demonstrated some of the same skills that are taught in college-level courses. Depending on the school or program you apply to, you may be eligible for up to 3 credits in Math, 3 credits in Science, 3 credits in Social Studies, and up to 1 credit in English, which will save you money and time when working towards your college certificate or degree.

GED® Test Scores & Transcript Request

Test-takers can access their GED® Score Report on www.ged.com within 24 hours of completion of each subject area. An e-mail is sent to the test-taker with an alert that their scores are ready to view. Test-takers can request their official GED® Transcript at www.ged.com. Go to the bottom of the home page, look for Take Action, click Request a Transcript and select CT. Follow instructions to obtain your official transcript.

To receive an official copy of your GED® transcript or have a transcript sent to a college, training provider or employer, please complete the form found on the CT State Department of Education website, sign it and return to the Connecticut State Department of Education at the address on the form. There is no fee for this service. All requests are processed within ten (10) business days of receipt of the request. Go to www.sde.ct.gov/sde, click on Adult Education, GED Testing, then on Request Transcript/Verify a GED.

Pretests are given and class placement is based on the student’s level of English. Students practice by speaking, listening, and writing with their peers under the guidance of the teacher. Classes are small to allow for active participation.

The focus is on using English for real-life needs and helping you acquire the skills and knowledge necessary to become active and informed parents, workers and community members. The National External Diploma Program (NEDP) provides students with a path toward high school completion. It is an ideal program for students who are motivated and self-directed. 3. Assessment Phase— Demonstration of competencies through computer use
4. Post-Task Assessment Phase (PTA’s)— Correction of those skills not demonstrated

**Step 1:** The student must approach his/her Instructor and explain the problem.

**Step 2:** In the event that the problem is not solved, he/she must then approach the Counselor for his/her program. The counselor must provide a written memo outlining the issues for the student, and discuss concerns that involve a staff person with the Site Administrator. A response should be provided to the individual submitting the grievance no later than 7 days into the grievance.

**Step 3:** In the event that the problem still is not resolved, the student must then approach the Site Administrator. The Site Administrator must review the documentation and respond. The student will then review the resolution documented by the Counselor and student and provide written resolution for the issue no later than 7 days after the issue has been documented.

**Step 4:** In the event that the problem still is not resolved, the Regional Director after reviewing the Site Administrator’s resolution, will meet with the student and the Counselor.
